Subject: [External] Transportation Report

Janice,

We had asked for a 30 day extension (from April 1) to May 1 which was granted by Tom Allen. The problem for us is we have a new accountant, Robert Woodwyk CPA. He is helping us straighten out our quick books discrepancies. We need another 30 day extension so he can have enough time so we can have the correct numbers for 2018. Thank you so much.
